In response to your request for ABIH Certification Maintenance (CM) points, ABIH has reviewed the Activity for subject matter content and contact time. CM points are awarded as follows:

Sponsor: AIHA-Chicago Local Section
Activity: Toxicology: Emerging Issues
Date: 11/13/2009 - 11/13/2009
CM Points: 1.17 Industrial Hygiene CM Points
Approval#: 09-4738

This information is also now available in the ABIH on-line Activity database at <http://www.abih.org/members/roster/coursesearch.cfm>.

You have permission to communicate and publicize this information. Please communicate the above CM points and Approval Number to the Activity's CIH/CAIH participants. For publicizing purposes, granting of CM points does not imply that ABIH accredits, certifies or endorses the Activity, nor does it authorize use of the ABIH logo.

ABIH requires each CIH/CAIH to maintain proof of attendance in an Activity. Sponsors are asked to provide a certificate, participation letter, attendance roster, on-site registration receipt, or some other document verifying participation and completion for: 1) all courses, 2) all virtual conferences, and 3) all conferences physically attended by a local CIH/CAIH. If the Sponsor is unable to provide verification documentation, the CIH/CAIH will use an Attendance Verification Form which must be signed by the Sponsor for each CIH/CAIH on each day of the Activity.

For conferences physically attended by an out-of-town CIH/CAIH, the Sponsor does not need to provide participation verification. This is a responsibility of the CIH/CAIH. Acceptable verification methods are provided in the CM Handbook, available to all CIH/CAIHs.

For future CM point requests, please be aware that the CM Point Request Form and rules do periodically change. Please use the latest form on the ABIH web site at <http://www.abih.org/documents/index.html#cmd>.

If we can be of further assistance, please contact ABIH at CM@abih.org.
