

Chicago Section AIHA

Dinner Meeting

*Student Night and Presentation:
OSHA War Stories*

The Chicago Section hosts our traditional evening for University of Illinois-Chicago, Illinois State University, and Purdue University students. The event will include a student poster session and we will be awarding \$200 for best poster and \$100 for runner-up poster at both the graduate and undergraduate levels.

Student Night

We encourage all Local Section members to attend Student Night in support of our Section's desire to provide an atmosphere where students are able to meet with professionals. This is a great way to look for summer talent and potential future employees. For those of you who will be looking for an intern in 2000, please bring information along and be prepared to make an announcement during the meeting.

OSHA War Stories
